

NETAJI SAINIK SCHOOL

NOTICE / ANNOUNCEMENT

Netaji Sainik School Launches NDA, IIT, NEET and JEE Mains Foundation Classes for Class VI and VII Cadets

We are pleased to inform all parents, guardians and well-wishers that Netaji Sainik School has started a special programme to prepare our young cadets for the NDA, IIT, NEET and JEE Mains examinations.

On Saturday, 19 September 2026, at 7:30 pm, Mr. D. V. Rao, our respected Academic Director, held an online interaction on Zoom with all the Class VI and Class VII cadets. In this session, he explained the importance of these examinations and the career opportunities they open. He also introduced the cadets to the programme being run at our school.

The cadets took an active interest in the session. Many of them asked questions, cleared their doubts and discussed their queries directly with Mr. Rao.

Following the interaction, regular classes for NDA, IIT, NEET and JEE Mains began for the Class VI and Class VII cadets on Monday, 21 September 2026.

Through this programme, the school aims to help our cadets build a strong academic foundation from an early age and to guide them towards their goals. We thank all parents for their continued support and encouragement, and we wish our cadets every success.
